

American Interiors

company overview

American Interiors is a leading interior solutions provider, serving clients across the country since 1993. Today, as a growing and multifaceted company consisting of MillerKnoll furniture solutions, Falkbuilt interior construction, Mechoshade window coverings and our re/work360 change engagement studio, American Interiors still remains true to its roots. Our foundation is built on working closely and developing longstanding partnerships with our clients.

Each and every day, we strive to bring value, knowledge and innovative ideas to our customers. Our job is to challenge and help educate clients on latest trends, cutting-edge solutions and enhancements that will affect employee engagement, attraction and retention – as well as the bottom line. This is reflected not only in the products we represent, but in all of our team members.

Our cross-functional teams bring diverse insights and unique perspectives. We are ALL IN. Our goal is to create greatness by discovering the best solutions. Through trust, collaboration and passion, we provide a rewarding customer experience.
